INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Lion Hearts Inc.:

Qualified Opinion

We have audited the financial statements of Lion Hearts Inc. (the Organization), which comprise the statement of financial position as at December 31, 2024, and the statements of net assets, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the Organization derives revenue in the form of donations and fundraising, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether, as at and for the years ended December 31, 2024 and December 31, 2023, any adjustments might be necessary to donations and fundraising revenue, excess of revenues over expenditures, assets and net assets.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing these financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization, or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

INDEPENDENT AUDITOR'S REPORT
(CONT'D)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. PURPOSE OF THE ORGANIZATION

The purpose of the Organization is to improve the situation for marginalized and disenfranchised citizens in Eastern Ontario through the following programs:

- Operating a Community Food Redistribution Warehouse (CFRW), which redistributes surplus food, donated clothing, household goods, and hygiene supplies from local businesses to front-line agencies providing services to those experiencing food insecurity
- Embassy Live Music Cafes, which bring together a cross-section of people in a venue that is safe and non-judgmental
- FAST 101 (Fight Against Sex Trafficking), which provides education and resources to those who are in the primary demographic to be trafficked and who provide assistance to those who may be targeted for trafficking
- Operating a Supportive Housing program in Kingston, which provides shelter and housing to individuals through a mix of warming centres, shelters and transitional housing options.
- Operating a Vocational Program in Kingston, which provides training to individuals to teach skills to succeed in the workplace.

The Organization was incorporated on July 20, 2023 and is a registered charity exempt from income taxes.

2. ACCOUNTING POLICIES

Outlined below are those accounting policies adopted by the Organization considered to be particularly significant:

(a) Basis of Accounting

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

(b) Accounting Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include the estimated useful life of tangible capital assets. Actual results could differ from those estimates.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

2. ACCOUNTING POLICIES (Cont'd)

(c) Tangible Capital Assets and Amortization

Purchased tangible capital assets are recorded at acquisition cost. Contributed tangible capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of a piece of tangible capital assets are capitalized. When the tangible capital asset no longer contributes to the Organization's ability to provide services, its carrying amount is written down to its residual value. Any gains or losses on disposal are charged to operations in the year of disposition.

Tangible capital assets are amortized on a declining balance basis using the following annual rates:

Asset	Rate
Furniture and equipment	20%
Vehicles	20%
Computer equipment	55%
Leasehold improvements	20%
Building	4%

(d) Web-Based Subscriptions

Payments for web-based subscriptions are accounted for using the simplification approach under Accounting Guideline AcG-20 and recognized as an expense as services are received.

(e) Revenue Recognition

(i) Donations and fundraising

The Organization uses the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the period in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

(ii) Grants

The Organization receives grants from various agencies under agreements. Grants are recorded as revenue in the period to which they relate. Grants earned but not received at year end are accrued. When a portion of a grant relates to a future period, it is deferred and recognized in that subsequent period. Grants received relating to direct funding of tangible capital assets are recognized in accordance with Note 2(e)(iii) below.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

2. ACCOUNTING POLICIES (Cont'd)

(e) Revenue Recognition (Cont'd)

(iii) Deferred Contributions Relating to Tangible Capital Assets

Contributions received relating to the purchase of tangible capital assets are deferred and amortized over future periods. The amortization period is based on the period used to amortize the corresponding tangible capital assets.

(iv) Contributed Services

Volunteers contribute significant time each year to assist the Organization in carrying out its service delivery activities. However, due to the difficulty of determining the fair value, these contributed services are not recognized in these financial statements.

(v) Donations In-Kind

Donations in-kind of tangible capital assets and materials are recorded at fair market value when the value can be reasonably estimated, the Organization would have paid for the item if it had not been donated and the amount is receipted. The amounts are recognized as both revenue and expenditures when received.

(vi) Endowment

The Endowment Fund accounts for donations designated for Endowment. The investment earnings of endowment funds are to be used for purposes outlined by the Community Foundation for Kingston & Area and are recognized as a direct increase or decrease in net assets. The Annual Distributable Earnings from the fund are to be allocated towards relief of poverty within the Kingston area community, and are not to be used for religious purposes.

(vii) Program Income

Program income is recognized as services are provided and the income is earned.

(f) Leases

Leases are classified as capital or operating leases. A lease that transfers substantially all of the benefits and risks incident to the ownership of property is classified as a capital lease. All other leases are accounted for as operating leases wherein rental payments are expensed as incurred. At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the property's fair value at the beginning of such lease.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

2. ACCOUNTING POLICIES (Cont'd)

(g) Cash and Cash Equivalents

Cash and cash equivalents consist of cash on deposit.

(h) Financial Instruments

(i) Measurement of Financial Instruments

The Organization initially measures its financial assets and liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument.

The Organization subsequently measures all its financial assets and financial liabilities at amortized cost except for equities quoted in an active market, which are subsequently measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash, donations and grants receivable and HST receivable.

Financial assets measured at fair value include the Endowment Fund.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, government remittances payable and loans payable.

(ii) Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of possible impairment. When a significant adverse change has occurred during the period in the expected timing or amount of future cash flows from the financial asset or group of assets, a write-down is reflected in excess of revenue over expenditures (expenditures over revenue). When events occurring after the impairment confirm that a reversal is necessary, the reversal is recognized in excess of revenue over expenditures (expenditures over revenue), up to the amount previously recognized as impaired.

(i) Government Assistance

Government assistance in the form of grants and forgivable loans is accounted for using the cost reduction approach, whereby the cost of the capital item or operating expense is reduced by the assistance received; if assistance received is not for a specific expenditure, the assistance is recorded as revenue. Government assistance is recognized in the period where all conditions of the grants or forgivable loans are met.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

3. ENDOWMENT FUND

The Endowment Fund, invested in pooled equity funds quoted in an active market, consists of total contributed capital of $20,250 (2023 - $20,250). The fair market value at December 31, 2024 was $24,153 (2023 - $20,606).

4. TANGIBLE CAPITAL ASSETS

	2024		2023	
	Cost **$**	**Accumulated Amortization** **$**	Cost $	Accumulated Amortization $
Land	**405,000**		105,000	
Building	**1,040,443**	**12,869**	300,789	
Computer equipment	**42,185**	**32,489**	42,185	20,638
Furniture and equipment	**807,328**	**272,167**	730,051	148,035

Cost less accumulated amortization	**$ 2,506,077**		$ 1,507,910	

In the current year, the Organization made leasehold improvements for cash consideration of $57,034 (2023 - $100,013). The Organization also purchased furniture and equipment for cash consideration of $69,777 (2023 - $55,129), buildings for cash consideration of $174,654 (2023 - $300,789), land for cash consideration of $Nil (2023 - $105,000), computers for cash consideration of $Nil (2023 - $19,840) and vehicles financed with long-term debt for $72,187 (2023 - $132,311). The Organization received $7,500 (2023 - $364,669) of furniture and equipment, $15,000 (2023 - $Nil) of vehicle, $565,000 (2023 - $Nil) of building and $300,000 (2023 - $Nil) of land through in-kind contributions at fair value.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

5. WEB-BASED SUBSCRIPTIONS

During the year, total web-based subscriptions of $12,608 (2023 - $5,750) were expensed, which is included in computer expenses on the statement of operations, as described in Note 2(d) to these financial statements..

6. DEFERRED CONTRIBUTIONS

Deferred contributions are comprised of externally restricted donations and grants to be applied to expenses as intended or as outlined in approved agreements as negotiated between Lion Hearts Inc. and the respective funding agency.

Total deferred contributions at year-end were as follows:

	Opening Balance $	Contributions Received $	Contributions Spent $	**Ending Balance $**
Children's Weekend Wellness	46,594	173,087	(150,286)	**69,395**

12. FINANCIAL RISKS AND CONCENTRATION OF RISK

The Organization has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The risks that arise from transacting financial instruments include interest rate risk, liquidity risk, and market (other price) risk. Price risk arises from changes in interest rates, foreign currency exchange rates and market prices.

(a) Liquidity Risk

Liquidity risk is the risk that the Organization will not be able to meet all cash outflow obligations as they come due.

The Organization's exposure to liquidity risk is dependent on the receipt of funds from its operations. The Organization mitigates this risk by monitoring cash activities and expected outflows. Management is of the opinion that the Organization will be able to meet all of its cash outflow obligations as they come due and is not subject to significant liquidity risk.

There have been no significant changes from the previous period in the exposure to risk or policies, procedure and methods used to measure the risk.

LION HEARTS INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

12. FINANCIAL RISKS AND CONCENTRATION OF RISK (Cont'd)

(b) Credit Risk

Credit risk is the risk of financial loss to the Organization if a debtor fails to make payments of interest and principal when due.

The Organization is exposed to credit risk in the event of non-performance by clients in connection with donations and grants receivable. The Organization mitigates this risk by dealing only with what management believes to be financially sound counterparties, and accordingly, does not anticipate significant loss for non-performance.

There have been no significant changes from the previous period in the exposure to risk or policies, procedure and methods used to measure the risk.
